## INSTRUCTIONS

1. We will start by painting each of the indented segments with three generous coats of paint. The order that we did was: Beachcomber, Carnation, and Pumpkin Pie. That will repeat around the mug.
2. Next, working around each of the painted segments, paint the remainder of the outside of the mug with three generous coats of Stardust.
3. Use a fan brush to paint the inside of the mug with three generous coats of Licorice.
4. Finally, use a medium brush to apply three generous coats of Licorice to the handle.

## TIPS

- Three coats of paint will give a solid color.
- Feel free to switch up the inside and handle color to one of the lighter colors.
